The game has been updated to feature The Dark Moon Trilogy. The apps are priced at $4.99 each, and they can be found in the App Store. There is also an update for the iOS version of the game. The update adds some new features such as Challenge Mode and a ranking system. The development team has also made a new profile design and the user interface has been improved. The game allows players to take control of a ton of different stories from the Snow Lion Games universe. The characters consist of variations of many of the most iconic characters from the franchise. The game also has a 2-D side view option, and there is no cap on characters
